Dear Judge Shields:

I represent Plaintiff in the above action.

Following the scheduling of the settlement conference in this action, Defendant PayPal served discovery on Plaintiff. Rather than expend resources and incur legal fees engaging in discovery, Plaintiff believes that the parties should focus on settlement through the date of the scheduled conference. Accordingly, Plaintiff requests that all discovery be stayed pending the conference which is currently scheduled for January 23, 2019.

Respectfully,

/s  
Oren Giskan
